

Fruit of the Spirit

Faithfulness

Do you trust God? Do you trust in His unfailing love, His promises, and yes, His commandments for your life? When we trust in God and obey His commandments, we are being “faithful” to God, our seventh fruit of the Spirit.

- 1.) We know that if we are faithful to God, we will trust in Him and obey His commandments. What are some of God’s commandments that we must follow?

- 2.) God is also faithful to us! He has made us some promises, too. What are some promises God has made to us?

- 3.) How can you pray for faithfulness this week? What are some things you may pray for that will help you to trust God and obey His commandments?
