

SHINE YOUR LIGHT

This week, we are still on a journey to find out who Jesus is! Jesus tells us that if we do good deeds and let His light shine through us, people will find Jesus in our kindness! Dr. Joe teaches us this week that Jesus doesn't just want us to do good deeds; he wants our hearts to be full of goodness too! When Jesus lives in our hearts, His light will shine through us to others!

- 1.) In our video this week, one girl spread kindness to others just by calling them "beautiful." When is a time that someone spread kindness to you? How did you feel?

- 2.) What are three things you can do this week to show Jesus to others?

- 3.) How did Jesus show people kindness? Can you think of a time when Jesus spread kindness to someone in the Bible or even in your own life?
