

The Second Fruit of the Spirit:

Joy

This week, we are exploring the second fruit of the spirit: joy! Paul tells us to have joy even when we are experiencing tough times. How do we do this?

- 1.) The dictionary defines 'joy' as being in a state of happiness or delight. What are some things that bring you joy?
- 2.) How do you show others 'joy' in your life? How can you spread the second fruit of the Spirit?
- 3.) The Bible tells us that we can have joy even when we are going through something difficult or sad. Where do we find everlasting joy?

Jesus died for our salvation so that in believing in Him, we can have eternal life with Him in heaven. We can have joy down in our hearts because He loves us that much!
